

## **2017-2018 Lyman High School Student Registration**

The process for selecting courses for the 2017-2018 school year at Lyman has begun. The following links will be of assistance to students and families as you plan for next year.

The first link is the [Lyman High School 2017-2018 Student Registration Presentation: Your Blueprint to Success](#). Here you will learn who about your school counselors, graduation requirements, diploma options, university entrance requirements, community service, core class teacher recommendations, elective opportunities, the registration form, and important upcoming dates.

The second is the new [2017-2018 Curriculum Guide](#). Here you will learn about all of the programs available to students at Lyman including detailed course descriptions for each class offered next year. Included in this year's guide is a color coded curriculum map for each core content area which clearly details the course progression across each grade level.
