

Good afternoon parents, this is Mr. Rice, Principal of Lyman High School and this is your Weekly Principal's Update!

Happy Holiday's, you did it! Congratulations, Semester 1 is complete! I want to take this opportunity to thank everyone for a smooth first semester. Throughout the course of our time together, I have observed students that are focused and committed to their education all while maintaining a spirited environment where all students are valued and respected! We have a special thing going on at Lyman High School and I couldn't be more proud of the efforts of our students and our staff!

I hope that you take the next two weeks to unwind, relax, rejuvenate, and prepare for a fast-paced, second half of the 2017-2018 School Year. Thank you for being a great community and for trusting us to educate and lead your child to become life-long learners in an ever-changing global society. Happy Holidays to you and your family!

Holiday Break Hours: Lyman High School will be closed December 23rd through January 4th. Our doors will be open for regular business (without students) on December 22nd and January 5th from 7am-1pm with limited staffing.

Report Cards: As an FYI, teachers will have until January 4th to submit grades. We will then print report cards and distribute them to students during their 1st period class on Monday, January 8th. Keep in mind that while we provide a paper copy at the semester, grades are always available for viewing on Skyward Family Access.

Excessive Absences/Credit Denial: Parents, please note that Credit Denial Letters went in the mail today. Credit Denial is given to any student who has more than 9 absences in a given class. While a student may have passed the class, credit cannot be received until the criteria contained in the letter has been met. Letters will only be sent to those that have been denied credit in at least one class. If you have any questions, please contact our Attendance Office.

2nd Semester Classes: The 2nd semester will begin on January 8th. Some students will have a new class second semester, but in order to distribute schedules, all students will be required to report to their first semester, first period class. Once the new schedules are distributed, we will release students via intercom to their new class. Please have your student take note of their 7th period and 4th period classes as their lunch may have changed. If these periods have an "A" at the end of the period (4A or 7A), they go to first lunch. If these periods have a "B" at the end (4B or 7B), they go to second lunch.
