ACCEPTABLE USE POLICY

Access to network services is a privilege that entails responsibility and is provided for students to conduct research. As outlined in the School Board Policy, the following are not permitted:

- Sending or displaying offensive messages.
- Using obscene language.
- Harassing, insulting or attacking others.
- Damaging computers, computer systems, or computer networks.
- Violating copyright laws.
- Using another's password.
- Trespassing in another's folders, work or file.
- Employing the network for commercial purposes.
- Visiting unauthorized websites.

*Violations may result in a loss of access as well as other disciplinary or legal action.

ATTENDANCE POLICY

Regular attendance provides students the opportunity to participate in many integral learning activities, such as class discussions, group experiences, field trips, guest speakers, and direct instruction, which cannot be simulated or replicated with written work. Therefore, with the goal of promoting student achievement and increasing the likelihood of success, the Seminole County Public Schools has adopted a policy that consists of the following components:

I. Compulsory Attendance

A student enrolled in Seminole County Public Schools is required to attend school regularly during the entire school year.

II. School Attendance Defined

Students are considered to be in attendance when they are at school or participating in school-sponsored activities (field trips, etc.).

III. Student Attendance Recorded

Teachers are required to maintain an official record of student attendance each day by class period of instruction. Teachers shall notify the administration of a student's absence on the 3rd day of nonattendance.

IV. School Notification on Day of Absence

On the day of a student's absence, school personnel will make a good faith effort to notify the parent/guardian of the absence through personal or voice mail or e-mail contact.

V. Parent Verification of Absence

Parent notes will no longer be accepted to excuse an absence. Only legal documentation will be entered in our system. We will work on extenuating circumstances on a case by case basis.

VI. School Notification of Repeated Unexcused Absences

School administrators are encouraged to contact parents/guardians after every unexcused absence to inform the parent of the absence and to discuss strategies for preventing further unexcused absences.

When a student accumulates 5 unexcused absences in a grading period the principal or designee is required to contact, via telephone or e-mail, the parent/guardian of the student in order to arrange a conference to discuss the reasons for the unexcused absences and to initiate school-based truancy interventions. Unsuccessful attempts to make this contact should be documented and a copy sent to the principal or designee. Upon each subsequent unexcused absence, the parent/guardian will be notified of the student's nonattendance. The parent/guardian will also be informed of the truancy procedures that will be followed if the student persists in being unexcused from school.

VII. Excused Absences Defined

The principal or designee shall determine if a student's absence from school is excused or unexcused. An absence will be recorded as excused for each day a student is not in attendance for any of the following reasons:

1. medical treatment provided by a licensed physician
2. sickness or injury makes attendance inadvisable*
3. observance of religious practices or a religious holiday
4. law enforcement order or court subpoena
5. death of a family member
6. natural disaster
7. traffic accident that directly involved the student
8. extraordinary circumstances or situations approved by the principal

If a student does not report to class during the designated period, it shall be recorded as an unexcused absence. A student must attend a minimum of 90% of the class in order to be reported as present. A student reporting to class 10 minutes or more late is to be marked absent. Parent Notes will no longer be accepted to excuse an absence. **Only legal documentation will be entered in our system. We will work on extenuating circumstances on a case by case basis.** It is the current practice of Lyman High School to contact the parent/guardian of a student who has been absent per automated phone dialer. These calls are generally made during the evening on the day of the absence.

VIII. Unexcused Absences Defined

Absence from class for any reason other than those identified in Section VII shall be unexcused. In addition, the following conditions shall result in an absence being recorded as unexcused:

A. *No Documentation of Reason for absence*

Student absences that are not verified according to the procedures established at the school for documenting the reasons for a student's absence (Section V).

B. *Vacations/Personal Family Time*

All absences from school due to vacation or personal family time are unexcused. Parents must submit to the principal, in writing, requests for pre-arranged absences due to vacation or personal family time if they wish to obtain, in advance, the class work that will be missed during the nonattendance. Teachers may, but are not required to, provide class assignments to students in advance. When such arrangements are made in advance, assignments are due on the day the student returns to school.

Students will lose credit for class once they reach the 10th unexcused absence in a semester.

IX. Make-Up Assignments and Assessments

Regardless of whether an absence is excused or unexcused, students are required to make-up all coursework and assessments missed during the period of nonattendance. Immediately upon returning to class, it is the responsibility of the student to obtain missed coursework, confirm corresponding dates for completion, and schedule missed assessments, assignments, tests, and quizzes made-up within the reasonable time.

X. Out-of-School Suspensions

Absences due to out-of-school suspension are not recorded as excused or unexcused absences. Students are permitted to make-up, for full credit, any academic assignment missed during the term of a student's first and second out-of-school suspension. Missed class assignments, homework, quizzes, tests, and exams shall be made up in a timely manner for the student to receive credit.

XI. Truancy

After a student has accumulated 10 unexcused absences in 90 calendar days, the principal or designee will refer the student as outlined in the Truancy Procedures Manual, to the school social worker for processing as a truant.

DRESS CODE

Seminole County Public Schools
Student Appearance and Dress Code
[adopted by School Board 2012-13]

Responsibility for the dress and appearance of students enrolled in the Seminole County Public Schools primarily rests with parents and the students. Some student apparel, however, may not be appropriate to wear to school even though that same apparel may be appropriate to wear in other settings.

To assist parents and students in making appropriate fashion and grooming decisions for school, the School Board has established the following minimal guidelines for the appearance and dress of students.

The standards of appearance for students shall insure that the students be clean, neat, and properly dressed. They shall observe modes of dress and standards of personal grooming which are appropriate for the academic environment.

It is the responsibility of the Principal to see that the dress appearance of any student shall not be extreme, to the point of creating a disturbance, or is hazardous to one, others, or school property, whether or not the specific case is covered by the information below. The Principal or Principal's designee has the final authority for interpreting whether a student's apparel/appearance conforms to the dress code.

All schools have the option of adopting a standard dress code (uniform) when developed and agreed upon in collaboration with their School Advisory Council. Schools that adopt a standard dress code policy should include the following: collared shirts, sleeves, khaki or dark pants/shorts/skirts, defined shirt colors (e.g. school colors).

- (e) Garments that are distracting or inappropriate are prohibited, including but not limited to those with see-through materials, skin-tight items, pajamas, trench-coats, rips/tears, printed profanity, or language/symbols/styles that promote the use of alcohol, drugs, tobacco products, gang-related or other illegal activities

3. LOWER GARMENT

- (a) Pants and shorts should conform to the build and stature of the students.
- (b) Undergarments and the buttocks MUST remain entirely covered even while seated.
- (c) Dresses, skirts and shorts must be at least mid-thigh or below in length. Rips/tears above mid-thigh not permitted.
- (d) The waistband of pants, shorts or skirts must be worn and secured between the hips and the waist.
- (e) Undergarments as outerwear, pajama pants, bathing suits, cheer shorts, bike shorts and spandex material bottoms are prohibited.

4. FOOTWEAR

Students must wear shoes that are safe and appropriate for the learning environment. Students must wear athletic shoes in all PE classes. All students shall wear shoes/footwear. Cleats, slippers and shoes with wheels are not permitted to be worn on campus. Cleats may be worn for appropriate extracurricular sports in proper areas.

Additionally, the school has no responsibility for devices lost or stolen. All students and staff should be sure to keep their devices secure at all times!

Only those medications which are prescribed by a physician may be administered in school, and only in cases where failure to take such medications during school hours could jeopardize a student's health. A special form must be completed prior to the administration of any medication. Medication must be in the original container. Forms are available from the front office or Clinic.

PARKING AND PARKING DECALS

When it is absolutely necessary that a student leave school during the school day (other than an illness), it is required that the student bring a note, email or fax from his/her parents indicating the date, time to sign out, time of expected return, and a parental contact phone number. The student then must take the note to the office and sign out. Students will not be released over a phone call. If a parent comes in to school to sign out a student, they MUST present a valid driver's license.

SPORTS PROGRAMS

There are over 40 athletic teams at the freshmen, Junior Varsity and Varsity levels offered at Lyman High School. To participate in one of our athletic teams there is a one time/per school year \$25 athletic fee per athlete. All students are encouraged to participate as a player, manager, trainer, or spectator.

SPORTS ELIGIBILITY

In order to play a sport, every student must have an unweighted cumulative GPA of 2.0 or above in all high school classes taken, at the conclusion of each semester, to be eligible during the following semester. A student who does not have an unweighted cumulative high school GPA of 2.0 at the conclusion of a semester will not be eligible during the following semester. All students will be eligible during the first semester of his/her ninth-grade year as long as the student was regularly promoted to the 9th grade. After the first semester is completed, the student's cumulative GPA will then be used to determine eligibility.
